

The Jazzy

by lawrence built

We specialise in the building and design of custom made homes & renovations.
The Jazzy by lawrence built, the search is over...

The Jazzy is a superior, architecturally designed 3 bedroom home + theatre room (which may be also used as a 4th bedroom). The spacious open plan living / dining room incorporates beautifully raked ceilings which take advantage of the natural light. All bedrooms are bigger than standard size and all feature built-in and walk-in robes which have been thoughtfully placed to one side of the home to create a quiet sanctuary to ensure everyone is happy! The house features

a spacious modern bathroom and ensuite with quality floor to ceiling tiles and modern fittings and fixtures throughout. Designed for the entertainer, the home is complete with luxurious high end kitchen and quality inclusions, walk-in pantry and quality stainless steel appliances. The beautifully created undercover alfresco area boasts timber flooring and a BBQ area that steps off to a flat, grassed yard – perfect for the kids, dog or to create your own garden paradise!
